## **Inclement Weather Policy**

St. James Child Development Center will follow Portland Public Schools when inclement weather situations arise.

The district has two options in the event of bad weather: Delay school openings for two hours, or close the schools all together. Before deciding which to do, district officials consult with local meteorologists, city transportation officials, and PPS transportation staff in the field.

If there is a delayed opening, St James Child Development Center will be open two hours behind schedule, at 9:15am.

Closure information can be found on the Portland Public Schools website, and major news outlets.

We will attempt to email all families on our listserv in the event of delay or closure.
